Dear Friends,

Greetings from Barefoot Holidays!

We are pleased to inform you that we have launched our winter-season packages **Valid from 1<sup>st</sup> April-24 till 15<sup>th</sup> Sept 2024**. All the below packages have been made based on our personal visit to all the sites. We have consciously refrained from including trips which just fill the itinerary and do not offer much value for the customer.

We are truly passionate, and it is our endeavor to provide a true Andaman experience. The Andaman & Nicobar Islands are not just a destination that we sell: it is a destination whose myriad charms we adore and a product and experience that we passionately believe in: the Andaman Island life is the chosen way of life for us, and we hope to share a slice of this Island life with you.

With a fleet of **18 Xylos and a Force Traveler** stationed at Port Blair and Havelock and a dedicated staff of more than 30 travel assistants and experts stationed in the Andaman Islands and led by Mr. Sanjay Kumar; Barefoot Holidays has grown to become the leading and most trusted Destination Management Company in Andamans.

We also have a dedicated Sales and Marketing team in Bangalore, Mumbai and Kolkata who ensure a smooth and efficient booking process and ensure all queries are attended to and expectations managed as per the reality on the ground.

We believe it is the small things that make a big difference from ensuring cars are kept neat and clean, entire team in uniform, feedback collection from all guests, daily meet and greet by our team manager at Port Blair, Havelock and Neil Island. We have a team that is passionate for Andamans and will go out of their way to ensure a smooth and memorable experience for our guest. Assuring you of our very best services all times.

Best Regards
